Autumn in the parks

Leaf collection starts on 1 October. Bags are free at the community centre and at both libraries.

The north playground reopens after resurfacing. The new surface is softer and wheelchair accessible.

Volunteers planted 140 trees along the river path this spring. Most are doing well after the dry summer.

The dog park will close for drainage work from 14 to 18 October. Please use the east field instead.

Pool hours change on 1 November. The winter timetable is available at the front desk and online.

Our survey closes on 30 October. Tell us which park improvements matter most to you and your family.
